Sir

With reference to your letter No R 2881/ 1 71-20 8 dated 26th August 1920 in the matter of the further continuance of the Watchmen to take care of the trees in the Water Works Village I have the honor to forward herewith copies of the resolutions of the Managing Committee dated 26th May 1920 & 26th June 1920 connected with the subject It will be clear from them that the Municipal Engineer his Memo No 1626 dated 26th April 1920 sought for sanction for the continuance of the Watchmen for the year 1920-21 The Managing Committee on 22nd May 1920 did not approve of continuance and on the 26th June 1920 declined to reconsider the subject as desired by Mr Venkataranga Iyengar It was then that Mr Venkataranga Iyengar had the subject of continuance placed before the Council and the Council after mature consideration sanctioned the same

The resolution of the Council is briefly stated and it does appear possible that it will mean anything other than the sanction to the continuance of the Watchmen during the year 1920-21 as originally reported by the Municipal Engineer
